Standard equipment

Equipment packages

4ZL Matt aluminium styling package
Replaced by: Black styling package (contained in Carbon styling package)

7HE Leather covered door armrests

Exterior

NM1 Engine cover
Replaced by: Carbon design pack engine bay

6FT Exterior mirror housings in matt aluminium look
Replaced by: Exterior mirror housings in carbon

6TS Ext mirror right, aspherical

5L3 Front spoiler
Replaced by: excl carbon package (contained in Carbon styling package)

8Q4 Headlight range adjustment

8X1 Headlight washers

8N7 High-beam assist. Variable headlight range control featuring a camera on the interior mirror which registers sources of light from other road users. The range and width of the headlight beam are continuously varied between dipped and main beam to suit ambient conditions, ensuring that the headlights provide good visibility without dazzling other road users

8SK LED rear lights

5SJ Left exterior mirror: convex

2Z1 Model designation/badging
Replaced by: Deletion of model and technology designation at rear

8EX All-LED headlights. LEDs for all front lighting functions. LED technology provides lower energy consumption and enhanced contrast with a colour similar to daylight, for increased safety and good recognition by other road users. Includes all-weather light function to reduce the risk of the driver being dazzled when visibility is poor (in fog, rain or snow), turning-light function which is activated when indicator is switched on (up to speeds of 45mph), and an additional motorway light which automatically increases headlight range at speeds above approximately 68mph

VJ3 Reinforced bumpers

8K4 Separate daytime running light

4KC Side and rear windows in heat-insulating glass
Replaced by: Side and rear windows (contained in Insulating glass with Privacy glass)

3FE Slide-and-tilt sunroof with tinted single-glazed safety glass and infinitely adjustable sun shield, integral wind deflector, and convenient closing from outside via the central locking and the radio-operated remote control

5J2 S line roof spoiler

RS 7 Sportback

6XL Door mirrors – electrically adjustable, folding, heated and auto-dimming with memory function

4GQ Windshield in heat-insulating glass
Replaced by: Twin-pane UV/heat insul. glass (contained in Insulating glass with Privacy glass)

3S0 Without roof rails

1D0 Without trailer hitch

Tyres

1S1 Car jack

1PD Locking wheel bolts

7K3 Tyre pressure monitoring system. Provides a visual and acoustic warning of pressure loss in one or more tyres; defective tyre is displayed in the Driver's Information System

1G8 Tyre repair kit

FQ1 Wheels of Quattro GmbH

H5U Winter tires 195/70 R15 C 104/102R
Replaced by: Tires 275/30 R21 98Y xl sportive (contained in 21" x 9J '5-spoke blade' design titanium matt alloy wheels with 275/30 R21 tyres)

CJ4 20" x 9.0J '7-twin-spoke' design alloy wheels with 275/35 R20 tyres and locking wheel bolts
Replaced by: Alloy wheels 9J x 21 (contained in 21" x 9J '5-spoke blade' design titanium matt alloy wheels with 275/30 R21 tyres)

Interior

QQ2 Ambient lighting

4L6 Auto-dimming rear-view mirror. Uses a photocell to recognise when the headlights behind are too bright and dims automatically

2V5 Automatic air recirculation

3D1 Center console

QW1 Central control unit, front

6NQ Cloth headlining in black
Replaced by: Audi exclusive headlining in black Alcantara with black stitching

9AQ Deluxe 4-zone automatic climate control

1T3 First aid kit and warning triangle

0TD Floor mats at front and rear

5MB Inlays - Carbon
Replaced by: Inlays - Aluminium beaufort black

3X4 Load-through provision
Replaced by: Through-load facility with removable ski/snowboard bag

6SS Luggage compartment mat
Replaced by: Reversible luggage compartment mat

9JA Non-smoking package

RS 7 Sportback

7M7 Scuff plates in door apertures

QE1 Storage package

6M1 Tie down straps

Steering wheels

2C7 Electrically adjustable steering column – adjustable for height and reach with auto easy entry and exit function, and with memory

6F6 Emblems
Replaced by: Without decorative films / emblems

7F9 Gear lever/selector lever knob

2PK RS 3-spoke flat-bottomed leather multifunction steering wheel with gear shift paddles in aluminium-look, contrast stitching and RS emblem
Replaced by: 3-spoke heated leather multi-function steering wheel with gear-shift paddles

Seats

3L4 Electric fr seats, driver mem

6E3 Front centre armrest

4A3 Heated front seats
Replaced by: Heated front and rear seats

3G1 ISOFIX child seat mounting for front passenger (with airbag deactivation) and outer rear seats

9P3 Seat belt monitoring

3KA Split-folding rear seats in a 2 seat configuration

Q4Q S sports seats at front

7P1 4-way lumbar support

4D0 Without seat ventilation/massage seat

Seats & seat upholstery

N5M Valcona leather - honeycomb quilted design
Replaced by: (contained in Audi exclusive design package in Valcona leather with honeycomb quilted design)

Safety & technology

7AL Anti-theft alarm

7X2 Audi Parking System Plus. Acoustic and visual parking assist system for front and rear
Replaced by: Park assist

RS 7 Sportback

UH2	Auto release function	
9Q8	Colour Driver's Information System (DIS) with 7" display with energy-saving tips and rest recommendations. Shows the radio station or track title, telephone control, menu and other display information from the infotainment system, such as navigation and on-board trip computer with short and long-term trip memory, outside temperature display, digital speedometer and door or boot-open warning. Also includes RS menu with gear changing light, charging pressure and lap timer	
8T1	Cruise control Replaced by: adaptive cruise control (contained in Adaptive cruise control (ACC) with braking guard, Audi side assist and Audi active lane assist with pre-sense plus)	
6Y2	Cruise control speed limit system	
1LM	Disc brakes, front Replaced by: Disc brakes, front (contained in Ceramic brakes)	
1KJ	Disc brakes, rear Replaced by: Disc brakes, rear (contained in Ceramic brakes)	
1AT	Electronic stabilization program (ESP)	
4UF	Fullsize airbag	
4X3	Head airbag system Replaced by: Rear side airbags	
KS1	Head-up display. An optical system of mirrors projects driving-related information directly into the driver's field of vision. To prevent ghost images, a special windscreen with a wedge-shaped film is fitted. Measuring approx. 26 x 9cm in size, the driver perceives the display to be 2 to 2.5m beyond the windscreen. This display has many benefits, it helps to increase safety, convenience and driving pleasure, straightforward operation via MMI, display is height-adjustable, adjusts to ambient brightness, high resolution of up to 480 x 240 pixels.	
0M5	75-litre fuel tank	
4E7	Power-operated boot lid. Opens by pressing the button on the radio-operated remote control key, the button in the driver's door panel or the soft-touch button in the tailgate handle recess; closes by a button on the inside of the tailgate, button in the driver's door or with optional Advanced key (press and hold). Includes power-assisted closing.	
7G9	Prep for tracking system	
GH2	quattro® permanent all-wheel-drive with Sports differential. The electronically regulated Sports differential distributes variable amounts of driving force to each rear wheel, ensuring outstanding acceleration performance when cornering and stabilising the vehicle's response to load change. It also ensures better direct steering characteristics and, thanks to less steering effort, more agile handling	
4K4	Radio remote control Replaced by: Advanced key (contained in Advanced key)	
2MA	RS-specific Adaptive air suspension. Electronically controlled air suspension with infinitely variable adaptive damping system on all four wheels, with RS-specific tuning. This automatically controls the vehicle level and damping, with four modes: comfort, dynamic, auto and lift, which can all be selected via the MMI system Replaced by: Sports suspension plus with Dynamic ride control (DRC)	

RS 7 Sportback

QZ7	servotronic Replaced by: Dynamic steering
ORC	Starter switch locking system
7L8	Start/stop system with energy recovery
ONA	Without nameplate set (without model designation)

Audio & communication

UF7	Audi Music Interface (AMI). Universal connection for use with stereo audio sources, USB and MP3 devices including Apple iPod generation 4 onwards (iPod, iPod classic, iPod nano, iPod photo, iPod video, iPod touch). Provides intuitive control through the audio system and multi-function steering wheel. It also replicates the iPod display on the MMI audio screen and DIS, including track titles. The interface provides charging function (dependent on device). Includes 2 cables to connect your iPod or USB MP3 player device
-----	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

8RY	BOSE surround sound system. Surround sound reproduction with 14 speakers including a centre speaker on the dashboard, a subwoofer. It also includes Audio Pilot for noise-dependent volume adjustment, 12-channel amplifier with a total output of 600 Watts, powerful and accurate bass reproduction which produces an outstanding overall listening experience. 5.1 surround sound reproduction Replaced by: Bang & Olufsen Advanced sound system
-----	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

QV3	DAB digital radio reception. Receives programmes from digital radio transmitters in addition to the range of analogue stations with better sound quality. With the DAB twin tuner, a second DAB tuner permanently searches for alternative reception frequencies of the set station, and the station list is updated at the same time. Please note reception depends on local digital network availability. It is also capable of receiving DAB+ and DMB audio signals Replaced by: Digital TV Reception
-----	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

7T6	MMI® navigation plus
-----	----------------------

8YQ	MMI Radio Plus
-----	----------------

UJ1	MMI touch
-----	-----------

9ZF	Mobile telephone preparation – Bluetooth interface. Bluetooth-compatible mobile phones can be connected to the vehicle via the interface, allowing handsfree calls via the microphone. Also includes Bluetooth audio streaming (dependent on mobile phone capability) Replaced by: Mobile telephone preparation – High with Audi Connect
-----	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Other

FC1	Customised fitting by quattro GmbH
OP0	Dual-branch exhaust system with two oval tailpipe trims Replaced by: Sports exhaust
7MJ	Emission standard EU5 plus
1X1	quattro®

Audi Code:

AC859AAH

What is the Audi Code?

An Audi Code refers to a saved configuration, which can be retrieved in the Configurator. For example, if you generate a PDF, the configuration is saved anonymously at the same time.

Please note that the Audi Code may expire in the event of changes to the product range (e.g. change of model year).
