Merry CHRISTMAS

The festive period is fast approaching and we've taken the hard work out of selecting your Christmas wines. In this brochure we have put together a selection of our favourite wines from 2020 in a variety of packages which will fit every occasion over the coming weeks.

In this year's selection for *Friends & Family* there is everything from cheeky boxes of delicious rosés to a juicy box of big reds, a box of *Sublime Six* to the *Ultimate Christmas Package*, containing all you need to accompany those indulgent festive moments.

Feast your eyes on this delightful and mouthwatering brochure of our incredible hand-selected wines from Scotland's leading, family-owned, independent wine merchant.

SAVE *the* PLANET

These six smashers are a definite must have at your dinner table this year. All selected from our award-winning wine producers, including the stand-out range from Sea Change – an ethical wine brand with a passion and determination to reduce plastic waste from the ocean. For every bottle bought a donation is made to both local and international plastic waste removal charities. What’s important though is the juice is every bit as good as the message! A promise that you can absolutely trust.
