

Vorsprung durch Technik

The Audi A3 and S3 range

Pricing and Specification Guide

Valid from May 2012

Personalising your Audi A3

This guide has been designed to help you tailor and price your Audi A3 quickly and logically. At the back, you will find information on CO2 emissions-based taxation and the other services offered by Audi, including Finance and Insurance. You can also configure your Audi A3 online at audi.co.uk.

You might also like to consider Audi Complete: a simple way to take care of servicing and maintenance costs for your Audi in a single package. You pay a one-off or monthly fee and we'll cover all your servicing, maintenance and tyres for the next three years including your first MOT and a full 5-year warranty. It means you only have to pay for fuel, insurance and your Road Fund Licence. So you can be reassured that your car will be maintained by trained Audi Technicians, using genuine Audi parts.

Vorsprung durch Technik

Three words that express the very essence of Audi. Vorsprung durch Technik isn't a slogan. It's our way of seeing the world. It is the driving force behind our history of innovation that continues into the 21st century. Indeed, many technologies that Audi pioneered remain in our cars today. Some are milestones in the history of the motorcar.

From our beginnings in 1899, to the Auto Union team's Grand Prix successes in the 1930s and our more recent wins at Le Mans, we have always been at the forefront of the motor industry.

Vorsprung durch Technik makes us who we are. To see more of its influence, just read on.

The Audi A3: Vorsprung durch Technik in its genes

With its innovative design and sophisticated technology, the Audi A3 is the perfect example of Vorsprung durch Technik. It's available with a choice of advanced petrol and diesel engines, from the turbocharged 1.4 TFSI® to the 2.0 TDI® quattro – all of which deliver exceptional efficiency and performance. And there's also a wide range of equipment and accessories to choose from, enabling you to arrive at a car that suits you completely.

Efficiency

At Audi, doing less is something we're trying to do more of. We're working to use less fuel, release less CO₂ and waste less energy. It's why we've incorporated a number of more efficient technologies into the Audi A3.

TDI® and FSI®

Inside the engine of the Audi A3 you'll find the same advanced fuel-injection technology that's driven us to win after win at Le Mans. With TDI® and FSI®, fuel is injected directly into the engine's chambers so that combustion is timed right down to the millisecond. As a result, waste is minimised and you get the most from every last drop of fuel.

Gear-change indicator

Small changes to your driving style can have a big impact on your fuel economy. The gear-change indicator in the Audi A3 is there to indicate the optimum gear to use for any given speed, encouraging early upshifts to ensure you don't burn more fuel than necessary.

Aerodynamics

A car's shape is one of the most important factors that influences its efficiency. It's why we've worked to make the Audi A3 as aerodynamic as possible.

Recuperation

When a vehicle brakes, the discs convert kinetic energy into thermal energy, which is wasted as it cannot be used. With a recuperation system, like the one in the Audi A3 1.4 TFSI® with Start-Stop, the kinetic energy is converted into useful electrical energy. The way it works is simple. While the car is coasting or braking, the alternator voltage is raised above the level of the basic electrical system, which enables the alternator to generate electrical energy and store it temporarily in the battery. When the vehicle accelerates, this energy is used to relieve the load on the alternator, resulting in a fuel saving of up to 3%.

Engines

Petrol

FSI® direct-injection technology is a unique Audi innovation that was originally developed for the Le Mans 24-hour endurance race to deliver more power and torque, as well as enhanced fuel efficiency. Precisely the right amount of fuel and air are injected into the combustion chambers, enabling the engine to 'breathe' more easily. It results in reduced heat loss and increased output, with around a 15% reduction in fuel consumption and significantly lower exhaust emissions. We've also developed TFSI®, with turbocharging – giving cars an extra injection of power.

Diesel

We introduced TDI® to the roads in 1989, marking a departure from the noisy, fuel-thirsty diesel engines of the past. And since then, we've continuously refined it, recently developing common-rail technology. Under this system, a series of piezo injectors use electrical charge to precisely control the amount of fuel injected into the engine. As well as reducing noise, this allows combustion to happen at a lower temperature, with less oxygen, which lowers emissions.

Transmission

S tronic®

Driving is all about thinking ahead, which is just what the S tronic® dual-clutch transmission does. It works almost as two separate systems, one engaging the odd-numbered and the other the even-numbered gears. So when you're accelerating in second, it has third gear waiting for you. And once you make the switch, it's already thinking about fourth. With two clutches working together, you can change gears almost instantly while experiencing smooth, uninterrupted power.

quattro®

It's the technology that has given Audi the edge on the rally circuit ever since it was first introduced over 30 years ago – a technology that delivers ultimate control whilst enhancing the sporty characteristics which make the Audi A3 so thrilling to drive. It's called quattro® all-wheel-drive.

The principle is simple: in the same way that four brakes ensure better deceleration, four driven wheels deliver better acceleration and road-holding, pushing or pulling the car as needed, for a driving experience that's both dynamic and safe.

In the Audi A3, quattro® all-wheel-drive continuously distributes drive power between the front and rear axles depending on weather conditions, road surface and gradient, which increases flexibility for an enhanced, sportier drive.

Standard model equipment

All A3 models have the following items of standard equipment

Available on A3 Sportback only

Engine

Automatic Start-Stop function for greater fuel and CO₂ efficiency. Comprising;

- Recuperation for optimal energy utilisation
- Energy saving tips feature in Driver's Information System: including gear-shift indicator (if fitted)

(On all models excluding 1.6, 1.8 TFSI and 2.0 TFSI)

Wheels, tyres and suspension

16" x 6.5J '7-arm' design alloy wheels with 205/55 R16 tyres and locking wheel bolts

Tyre Mobility System (TMS)

Locking wheel bolts

Audio and communication

Chorus radio/single CD player with front speakers

Seats

Driver and front passenger seat manually adjustable

'Frequency' cloth upholstery

Seat belts – 3-point on all seats

Split-folding rear seats (1/3, 2/3 or all)

Safety and security

Audi backguard head restraints for front seats (adjustable)

Driver, front passenger and front side airbag system and Sideguard airbags

Electronic Stability Programme (ESP), including ABS, EBD, ASR and EDL

Halogen headlights

ISOFIX child seat preparation for front passenger seat (with airbag disabling feature) and rear seats

Rear fog light

Rear head restraints (adjustable)

Remote central locking

Servotronic (speed-dependent) power steering

Thatcham Category 1 alarm and immobiliser

Tool kit and car jack

Warning triangle

Exterior equipment

Body-coloured door mirrors with integrated indicators

Chrome trim on door handles

Electrically operated and heated door mirrors

Interior equipment

3-spoke leather steering wheel with gear-shift paddles (1.8 TFSI and 2.0 TDI S tronic models only)

4-spoke leather steering wheel

Dampered grab handles

Electric front and rear windows (Sportback only)

Front and rear floor mats

Granite, Umbra or Opal inlays and door trim (depending on upholstery colour – see page 40)

Heat-insulating glass

Heated rear windscreen

Manual air conditioning

Manual headlight adjustment

Steering wheel adjustable for height and reach

Washer fluid level indicator

16" x 6.5J '7-arm' design alloy wheels

4-spoke leather steering wheel

Body-coloured door mirrors with integrated indicators

Driver, front passenger and front side airbag system

Technik model equipment

In addition to 1.6 Standard model equipment

Available on A3 Sportback only

1.6 petrol engine

Basic RRP
£1,320.83

Total RRP inc VAT
£1,585.00

Wheels, tyres and suspension

18" x 7.5J '7-twin-spoke' design alloy wheels with 225/40 R18 tyres

S line suspension (10mm lower than Sport)

Seats

Black Sprint cloth/leather upholstery with embossed S line logo

Exterior equipment

S line body styling, comprising front bumper with enhanced fins and rear bumper with platinum grey diffuser insert

S line badges on front wings

Chrome-trimmed exhaust tailpipes

Interior equipment

3-spoke leather S line multi-function steering wheel (with gear-shift paddles on S tronic models)

Matt-brushed aluminium inlays and door trims

Door sills with aluminium inlays and S line lettering

Black leather-trimmed handbrake grip

Black perforated leather-trimmed gear knob

Black headlining

Floor mats with black or silver stitching (dependent on upholstery chosen)

18" x 7.5J '7-twin-spoke' design alloy wheels

3-spoke leather S line multi-function steering wheel and Matt-brushed aluminium door trim

Door sills with aluminium inlays and S line lettering

Black Sprint cloth/leather upholstery with embossed S line logo

Black Edition model equipment

In addition to S line model equipment

Available on A3 Sportback only

1.8 TFSI, 2.0 TFSI, 2.0 TDI 140PS and 2.0 TDI 170PS

Basic RRP
£916.67

Total RRP inc VAT
£1,100.00*

Wheels, tyres and suspension
18" x 7.5J '5-arm rotor' design titanium finish alloy wheels with 225/40 R18 tyres

Audio and communication
BOSE® premium sound system with 8 high-performance loudspeakers, 6-channel amplifier, total output of 195 Watts with specially tuned acoustics

Mobile telephone preparation –
Bluetooth interface

Interior equipment
Flat-bottomed S line multi-function steering wheel (with gear-shift paddles on S tronic® models)
Piano Finish black inlays and door trims

Exterior equipment
Black styling package – radiator grille-frame in highly polished black, with radiator grille and number plate holder in matt black
Matt black fog light surrounds and door handles in body colour
Privacy glass, dark tinted from B pillar backwards
Xenon Plus headlights with automatic headlight adjustment, dynamic range control, headlight washers and LED daytime-running lights

18" x 7.5J '5-arm rotor' design titanium finish alloy wheels

Mobile telephone preparation – Bluetooth interface

Xenon Plus headlights

In addition to Standard model equipment

Available on S3 Sportback only

Even from a distance, the Audi S3 radiates power. Athletic body styling, 18" alloy wheels, Xenon Plus headlights with LED daytime-running lights and a low-slung body all hint at the breathtaking 265PS of power that awaits you.

Wheels, tyres and suspension

18" x 7.5J parallel 'S'-spoke S' design alloy wheels with 225/40 R18 Y tyres
'S' Sports suspension

Audio and communication

Driver's Information System (DIS) with energy saving tips
Satellite Navigation system – DVD-based
Audi Music Interface (CD changer can be ordered in lieu of AMI)
Mobile telephone preparation – Bluetooth interface

Seats

Audi exclusive

Every Audi is intrinsically exclusive.
It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik.
But for that special touch you can specify your new A3 with options from Audi exclusive.
Whether you want a unique, custom-mixed paint colour or seats in a combination of complementary shades, Audi exclusive will enable you to drive the car you've always imagined.

Both the exclusive and standard options can be found on the following pages.

Audi exclusive line

Paint

You can select one of the standard colours shown opposite or, for a different look, choose from the range of metallic or pearl-effect finishes.

Options are subject to availability and may extend delivery.

*Not available on S3 models.

*Not available on A3 3-door.

All the colour swatches on this page are matched as accurately as possible to the actual paint colours used. However, due to print processes, Audi UK cannot guarantee that colours shown are 100% accurate.

Visit your local Audi Centre for a more accurate colour swatch.

RRP – Recommended Retail Price.

Upholstery

Audi exclusive

With Audi exclusive, you can specify your seats in Fine Nappa leather or Fine Nappa leather/Alcantara, in an array of different colours shown to the right.

Select just one all-over shade for each seat, or customise each panel in two or more complementary colours from the distinctive Audi exclusive palette. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, we think you’ll be extremely comfortable with the result.

Options are subject to availability and may extend delivery.

– = Not available
• = Available
S = Standard

*Leather, stitching and piping (where applicable) colours can be specified in a variety of colours from the Audi exclusive range.

RRP – Recommended Retail Price.

VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

Audi Complete

Audi Complete is simply a way to look after the servicing and maintenance costs for your Audi in a single package. You pay a one-off or monthly fee and we'll cover all your servicing, maintenance and tyres for the next three years including your first MOT and a full 5-year warranty. It means you only have to pay for fuel, insurance and your Road Fund Licence. So you can be reassured that your car will be maintained by trained Audi Technicians, using genuine Audi parts.

*Retail customers only. Pricing based on 3 years/30,000 miles (whichever occurs sooner). All pricing is a 'starting from' price for the Audi A3 model range and is therefore subject to change and mileage/model dependent.

Warranty

Options are subject to availability and may extend delivery.

Accessories

Choosing an Audi isn't just a matter of deciding on the model you want; it's about creating a car that suits your needs perfectly. And that's why we've developed a whole range of accessories to enhance your A3, enabling you to customise it down to the last detail. Like your Audi, all these accessories are developed to the highest possible standards. And they're all available exclusively from Audi. To find out more, just visit audi.co.uk/accessories or contact your local Audi Centre.

Warranty

All of the accessories available on the A3 are covered by a three-year warranty* if they are ordered and included in the purchase price of the car at date of delivery. Any accessories ordered and installed after delivery include a two-year warranty.*

*Excluding Road Angel products.

technical data

*Highest insurance group rating shown. Group may be lower dependent on trim level. Please visit www.thatcham.org/abigrouprating for details.

Please note: The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of brake horsepower). To convert to brake horsepower, divide the PS figure by 1.0139.

¹The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC).

²Top speed is achieved in top gear.

³Fuel consumption and CO₂ emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available at www.vca.gov.uk.

⁴Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

⁵The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle).

⁴Highest insurance group rating shown. Group may be lower dependent on trim level. Please visit www.thatcham.org/abigrouprating for details.

Please note: The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of brake horsepower). To convert to brake horsepower, divide the PS figure by 1.0139.

¹The given value was obtained in accordance with the specified measurement procedure (the respective current version of the Directive 80/1269/EEC).

²Top speed is achieved in top gear.

³Fuel consumption and CO₂ emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available at www.vca.gov.uk.

⁴Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

⁵The engine's power output always goes down with increasing altitude. At 1,000m above sea level, and for every additional 1,000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle).

S3 Sportback dimensions

The technical drawings opposite show the exact dimensions of the Audi S3 Sportback, so you can check everything – from whether the car will fit in your garage to whether your luggage will fit in the boot.

Dimensions were measured with vehicle at unladen weight.

Turning circle approx 10.7m.

Dimensions in millimetres.

*Maximum headroom.

Additional information

CO₂ data and information

CO₂ emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO₂) a vehicle emits, measured in grams per kilometre (g/km). First year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created thirteen categories:

Petrol and Diesel engines	First year	Annual rate (second year onwards)
A – up to 100g/km	£0.00	£0.00
B – 101 to 110g/km	£0.00	£20.00
C – 111 to 120g/km	£0.00	£30.00
D – 121 to 130g/km	£0.00	£100.00
E – 131 to 140g/km	£120.00	£120.00
F – 141 to 150g/km	£135.00	£135.00
G – 151 to 165g/km	£170.00	£170.00
H – 166 to 175g/km	£275.00	£195.00
I – 176 to 185g/km	£325.00	£215.00
J – 186 to 200g/km	£460.00	£250.00
K – 201 to 225g/km	£600.00	£270.00
L – 226 to 255g/km	£815.00	£460.00
M – over 255g/km	£1,030.00	£475.00

Vehicle Excise Duty (VED) rates correct at time of going to print, but these may alter to reflect any change in the applicable VED rate

Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi’s performance and a full Audi service history could help you preserve the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

There are two schedules available and your Audi Centre will advise which schedule is most suited to your needs. The conventional fixed Audi Inspection Service schedule has fixed intervals for the Oil-change and Inspection Service that are based on

time and distance, whichever comes first. With the Audi LongLife Service schedule, sensors take account of driving style and conditions in which the vehicle is used to indicate when the Oil-change Service is required. Oil-change Service intervals are therefore variable and are conveniently indicated via the on-board service interval display.

Audi Complete

When selecting the option of Audi Complete your vehicle should be placed on the following service schedules dependent on your mileage per annum:

- Under 10,000 miles per annum – Fixed Inspection Service Schedule
- Over 10,000 miles per annum – LongLife Service Schedule

Fixed Inspection Service Schedule

Vehicle usage:	
Mileage	Less than 10,000 miles per annum
Type of journey	Mainly city/town centre driving. Short journeys
Conditions	Frequent cold starts. High engine loading – e.g. frequent hill climbs, vehicle fully loaded, towing
Driving style	Uneconomical – e.g. heavy acceleration, heavy braking, constant changes in speed, constant use of high revs, ‘sporty’ driving
Service Intervals:	
Oil-change Service	Fixed to every 9,000* miles/1 year
Inspection Service	Fixed to every 19,000* miles/2 years

Variable LongLife Service Schedule

Vehicle usage:	
Mileage	More than 10,000 miles per annum
Type of journey	Motorway and main road driving. Mainly longer distance journeys. Constant speeds
Conditions	Normal engine loading – e.g. with little or no towing, with little or no hill climbs. Normal vehicle loading
Driving style	Moderate acceleration, moderate braking, engine revs mainly below 3,000
Service Intervals:	
Oil-change Service	Variable to a maximum of every 19,000* miles/2 years
Inspection Service	Fixed to every 19,000* miles/2 years

*As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

Additional information

Welcome to Audi

By placing an order for your Audi, you're choosing to get behind the wheel of one of the most sophisticated cars on the road. And because we believe the service we offer should be just as advanced, we wanted to let you know exactly what you can expect from us, now and in the future.

We've agreed a set of standards with all our Centres, which governs the way we do business with you. It outlines the kind of service we promise to deliver for every customer, right down to filling each new Audi we sell with half a tank of fuel.

So whether you're interested in the date your car will arrive in the UK or the way we'll dispose of non-biodegradable materials after we service your Audi, you can have total confidence in us.

Audi Promise

Audi Centres

We guarantee that all of our Centres will be open as follows:

Sales: Monday to Friday 9am–6pm
Saturday 9am–5pm

Service: Monday to Friday 8am–6pm
Saturday 8.30am–1pm

Sunday opening is at local discretion.

New car delivery

Once we've confirmed a delivery date for your car, we'll keep you informed of progress. Subject to reasonable notice, we'll then deliver it to a place of your choice, whether that's your home or place of work. In the unlikely event of a delay, we'll provide a courtesy car to minimise inconvenience and keep you mobile.

The experts in Vorsprung durch Technik

Would you entrust your Audi to anyone who hasn't been regularly trained to Audi standards? Our network of Audi Approved Master Technicians have undergone an impressive 100,000 hours of training over a 10-year programme to ensure they have the latest technical expertise for maintaining and servicing your Audi. All of our Service Advisors undergo a specialist induction and training to ensure they are Audi professionals and able to talk to you about any issues you may have with your Audi vehicle. What's more, we have so much expertise and experience in looking after Audi vehicles that we are able to make a note of your mileage and the state of your vehicle as and when we see it and predict when certain key events may occur. As part of our commitment to you, we will notify you in plenty of time so you can make an appointment with us.

Your convenience comes first

At Audi you can choose from a range of convenient services that suit your needs. Why not book a 'service while you wait' appointment* and enjoy our complimentary refreshments while your car is with us? Or, if you need to be mobile, take advantage of one of our courtesy cars which we can even collect and deliver to you.* We guarantee we can service your Audi within 5 days without a courtesy car, or within 10 days if you need transport. We will also ensure your car is returned to you with a full valet.

Audi Genuine Parts

Would you put a part into your Audi that wasn't the same quality as the factory fitted original? You can rest assured that only Audi Genuine Parts will be used on your vehicle. What's more, Audi parts and labour come with a 2-year guarantee.** We stock a wide variety of parts, so we are well covered. However, if we don't have a part in stock at our Centre we have the back-up of parts at other Audi Centres, at our national warehouse and our factory and can usually source the relevant part very quickly.

We don't like surprises either

We believe strongly in transparency and there will be no hidden costs. For added peace of mind, we will give you a quotation over the phone for the work you have requested and email you the price confirmation. We'll consult you if any additional work on your car is needed when it is with us. We won't carry out any extra work without asking your permission first.

The Audi Stamp

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value of your car. Only the Audi Stamp will prove your approved Audi service history.

Getting better every time

We continually gather feedback from our Audi Trained Technicians, as well as our customers, to ensure our vehicles are running as they should. Whenever we see an Audi for a service, we connect it directly to our headquarters in Ingolstadt which enables us to check your car's software and make sure it's as up-to-date as possible. If the factory has released a software upgrade for your model, it can be applied immediately – improving anything from your car's efficiency to the precision of its parking system.

Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

*Subject to availability.

**Excludes wear and tear.

Pricing information

Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre, as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 20% but this may alter to reflect any change in the applicable VAT rate.

Delivery charges and number plates are not included in the vehicle price.

Delivery charge	£471.66
Number plate	£20.00
VAT	£98.34
Total	£590.00

Audi Roadside Assistance

Your new car comes complete with 3 years' complimentary roadside assistance and recovery across the UK provided by RAC Motoring Services. Also included is roadside assistance throughout Europe, managed by RAC Motoring Services.

For further information and terms and conditions please visit audi.co.uk

Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- ▶ A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year

- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ 3 years' UK roadside assistance and recovery

You also have the option when ordering your new car of choosing a four-year or five-year Audi warranty. Speak to a member of the sales team for more information.

Audi Tax-Free Sales

If you are entitled to purchase a vehicle free of VAT, normally through Military or Diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call Freephone 0800 585878.

Audi Finance

Audi Finance specialise in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there are a range of funding options to choose from.

Below is the full range of finance products.

- ▶ Solutions – a Personal Contract Plan
- ▶ Hire purchase
- ▶ Lease purchase
- ▶ Finance lease
- ▶ Contract hire

With all products, you can choose a fixed-cost maintenance plan designed to help you budget accurately.

No matter what Audi model you choose, your local Audi Centre can provide you with a personalised quote which could fit your budget and motoring needs.

Audi Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

Audi Insurance

We want you to start enjoying your new car from day one and thanks to Audi Insurance complimentary seven day cover, you can. Call free on 0800 316 7893 (lines are open Monday to Friday 8am - 9pm, and Saturday 9am - 5pm), provide a few details and a cover note will be sent to your Audi Centre. They will then tax your car and you can drive it away.

Audi Insurance is a trading name of Volkswagen Insurance Service (Great Britain) Limited, an appointed representative of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR.
