

CAD terms of use
All intellectual property rights (including, without limitation, all copyright and design rights) subsisting in the CAD drawings and related information belongs to the originator.

The reproduction and use of this material is only authorised for purposes connected with the specification or use of the originator. The USER of this information is authorised to reproduce and distribute exact copies or exact extracts of CAD drawings for the sole purpose of detailing, specifying, using, and promoting the use of the originator's products.

This information may not contain the full details required for manufacture / construction. Appropriate expert advice should always be obtained to ensure suitability of these drawings for your specific application.

The originator accepts no responsibility or liability for any loss or damage caused to the USER or any third party through any use of the CAD drawings or related information, which use contravenes these terms of use, including but not limited to, any use of the CAD drawings and related information:

- (a) with any product or system other than the originator's products or systems; and
- (b) where the CAD drawings and related information are modified in any way.

The USER is deemed to accept these terms of use. IF YOU DO NOT AGREE TO THE TERMS OF USE, DO NOT USE THESE DRAWINGS.
